FIRST ANNUAL CHAD L. STAIB AWARD RECIPIENT ANNOUNCED AT 76th COMMENCEMENT

In memory of Chad L. Staib ('85), his parents, Mr. & Mrs. Robert Urton, established a fund for a scholarship to be awarded annually to a senior chosen by a selection committee representing Ottoville School and Vantage Vocational School. Guidelines were established for selecting the first and subsequent winners through cooperation of the Ottoville Local Education Association and Mr. and Mrs. Urton. The recipient is to be selected on the basis of several qualifications, including involvement in school activities and organizations, as well as scholarship. This year's award went to Terry Schnipke, son of Mr. and Mrs. Norbert Schnipke.

SR. ROSALIE RETIRES AFTER 44 YEARS AS A TEACHER

The school year of 1960-61 and 1985-86, along with the years between, have been significant ones for over 800 Ottoville school pupils. It was this period of time that Sr. Rosalie Kastner was a teacher at Ottoville. During those 26 years, she taught first grade — introducing so many Ottoville girls and boys to school for the first time. Even after the kindergarten was started, she played an important role in helping students adjust to school life.

She has always been equal to the demands of her profession — resourceful and effective as an educator, a source of inspiration to her associates. She began her college training at Teachers' College, Athenaeum of Ohio, (Cincinnati), receiving her B.S. degree, and obtaining a masters' degree at Xavier University, also in Cincinnati. She has belonged to the National Education Association, Ohio Education Association, Northwest Ohio Education Association, and the Fort Defiance Trail UniServ Council. She has also been a member of the Ottoville Local Education Association, having served as its secretary.

Sister's teaching career has always included grades 1 or 2. She will be taking a similar but new assignment as an aide in St. Anthony's School, grade 1, Columbus Grove.

For her 44 years as a teacher, her years of dedication, hardwork, companionship, for just being a friend, Ottoville students and faculty express their thanks.

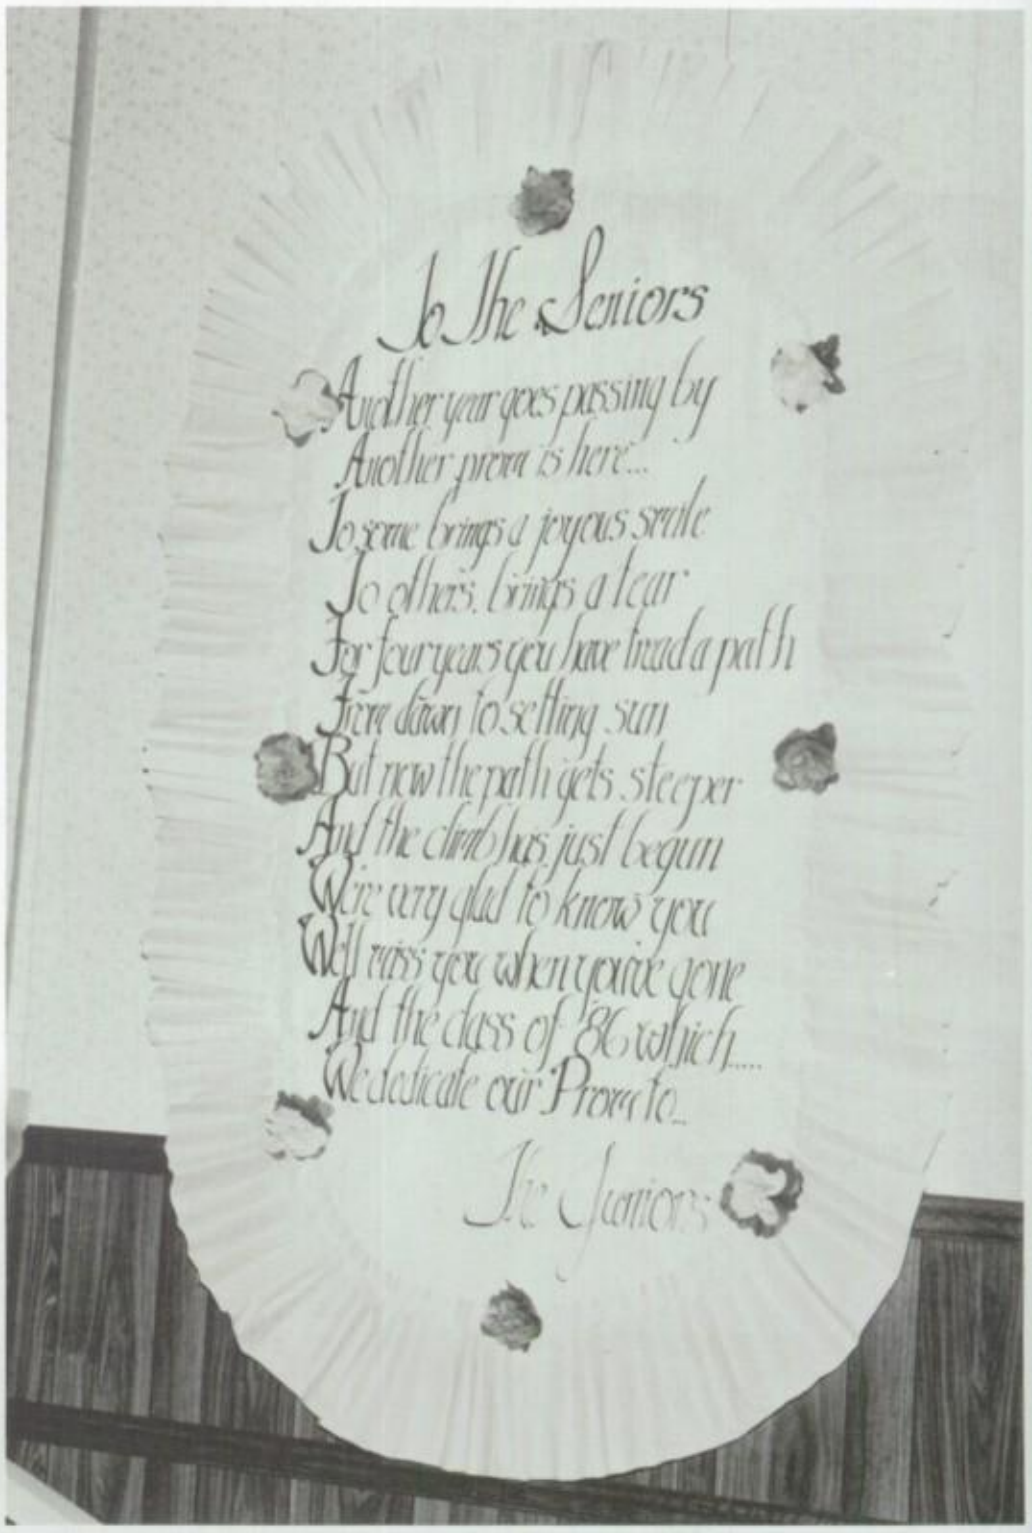
Magic is the Night

On April 25, 1986, the Juniors presented "Magic is the Night" to the Seniors. This year the prom was held in the Parish Hall under the supervision of Mr. Knott. The meal was catered by Lock 16. A very special thanks to the Juniors for making our Senior prom an unforgettable one.



To The Seniors
Another year goes passing by
Another prom is here...
To some brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb has just begun
We're very glad to know you
We'll miss you when you're gone
And the class of '86 which....
We dedicate our Prom to...
To Seniors

COACH MALEY

Winning the Putnam County League and also the Regional Tournament, Ottoville's ten varsity linksters entered the state tournament in the fall held at Ohio State University's golf courses. A young team without a great deal of experience, the Big Green did, however, gather confidence and skill during the summer and peaked at the proper time to lead area golfers to state tournament competition.

PCL League

Another sectional championship qualified the Big Green boys for the Elida District tournament where Ottoville lost to Leipsic 68-52. Defeating rival Crestview and Delphos St. John in the tournament climaxed the year which ended the roundball season at 9-14, with 2-5 in the PCL. A non-league opponent Van Buren made its second straight appearance in the state Tournament.

* PC LEAGUE

The girls basketball program at Ottoville, directed this year by new coach Bob Kaple, competed again in the ever-tough Putnam County League and provided many exciting contests before the Big Green bowed out to state-ranked Delphos St. John Blue Jays. The team, made up of mostly juniors and sophomores, should provide the basis of a stronger team next year. The high-point of the season included a big win over Leipsic and the forcing of Pandora-Gilboa into a very close contest.

1984-85 YEARBOOK UPDATE

The 1984-85 school year marked the 75th commencement year for Ottoville High School. That yearbook contained a special section which included a written history of the school, information concerning former students, as well as academic and sports achievements and records. Although we attempted to report information in that issue as accurately as possible, some additional information has come to light which is as follows. As promised, any corrections or additions to the historical section reported to us by December, 1985 would be carried in the '86 yearbook. Please make these notes in your 75th commencement yearbook edition.

Page 175: Basketball career points — add Ben Baxter, Columbus Grove, 1160 points (1951-54). Rick Kleman (1978-81), Columbus Grove, should be credited with 1084 points instead of 1078.

Page 146: Reported 14 children to enter Ottoville School from the Frank and Nancy Gasser family; should be children of Bill and Mary Gasser.

Page 175: Basketball career points reported for Ken Weber as 361, should be 373; also personal season high for Ken Weber on page 177 should be 282, not 272 (1960-61).

Page 178: (Top Right) The Ottoville-Delphos St. John game (1968-69) in which 192 points were scored — it was reported that Delphos won the game 102-90: Sorry, Blue Jay fans. It was Ottoville 102, St. John 90. Ottoville won, not St. John.

Page 157: (Class of 1966) should be Mary Kaye Bernard, not Mark K. Bernard.

Page 158: (Under class of 1967) Richard H. Trenkamp should be listed on page 157 with the class of 1966.

Page 150: Members of the National Honor Society for the Class of 1980, add the name of Linda Martin.

Page 99: First grade listing of Kerri Gudakunst, not Kerry Gudakunst.

There is some disagreement among newspaper accounts and coaches' records and "official records", when they can be located, relative to Won-Lost Records. The primary reason for this is that some coaches' and newspaper records do not always include tournament games as part of the season records. Others believe a season record means "from the first game until the last — including tournament." What constitutes a season is complicated further by a decision to or not to include games played after tournament elimination. Ottoville has played several season baseball games after losing in tournament play. Our sports records as listed in the 1985 yearbook included tournament when such information was known to us.

Although the yearbook staff regrets any lack of credit because of errors, we do hope you enjoy that special yearbook of 1985.
